

## Press Release

20 October 2008

### **Ruston Poole International opens new office in Switzerland**

The leading international Pharma and Life Sciences Executive Search group, **Ruston Poole International**, today announced the opening of a new office in the Basel area in Switzerland, as part of its ongoing commitment to continental Europe. This follows the establishment, earlier in the year, of an office in Munich, Germany.

Paul Edwards, Chief Executive Officer of Ruston Poole International, comments: "The Swiss pharmaceutical and biotech sectors continue to be buoyant, despite the current global economic difficulties. We have, for many years, worked with numerous companies in the region, and believe that by having this enhanced presence in the Switzerland and Germany, we can continue to provide the level of excellence which people expect from Ruston Poole International."
